

OPENING OF BANK WILL BE A MILESTONE IN THE DEVELOPMENT OF LEMON GROVE

Residents of this area will realize a long sought goal Tuesday with the formal opening of the Lemon Grove Branch of the First National Trust and Savings Bank of San Diego. Community business leaders, bank officials and the general public will participate in the dedication program from 6 to 9 p.m., marking the first time that banking facilities have been available here.

Jack W. Koop, manager, said staff members of the new branch will be on duty Tuesday night to greet visitors and show them through the new bank building which is located next to the new Post Office. Refreshments will be served to visitors, two war bonds will be given away and children will receive a comic book, "Peter Penny and His Magic Dollar."

WHY WE HAVE A UNION PICKET

The Projectionists Union has seen fit to place a picket in front of the Grove Theatre because we don't employ a Union Operator.

We have employed a Union Operator for two years and told the Union at the expiration date of the two year contract that we just couldn't continue to operate the Theatre at a loss during the mid-week days and that it would be necessary for the owner to operate the projection equipment on the mid-week that they, the union, could have the time on Friday, Saturday and Sunday.

This they rejected as well as my right to operate my own equipment in my own Theatre at any time, mid-week or otherwise.

They suggested that I close the Theatre mid-week and open only on week-ends. This I refused to do and told them that I would operate the Projection equipment myself with Mrs. van Gilse handling the downstairs.

We invite you, as good citizens, to drop by and see for yourselves that Mr. van Gilse is operating the projection equipment and that Mrs. van Gilse is managing the main part of the Theatre.

If it is wrong for a man and wife to place their shoulders to the wheel and operate their own business without the help of Union or non-Union help, then we are certainly wrong. We are employing no one where we once had Union help so how could we be unfair to organized labor?

NUMBER 56

"We wish to take this opportunity to meet personally as many residents of the Lemon Grove area as possible," Koop said, "and to explain to them our complete facilities for serving the banking needs of this community. Months of planning and years of banking experience are represented in this new office, and it is our hope that it will contribute to the growth and stability of Lemon Grove."

The bank building is of concrete block construction with the front veneered below the window line with Normandie brick. An overhanging marquee is faced with stainless steel. Interior walls are plastered with green tint stucco that creates a restful atmosphere for bank personnel and customers.

Excellent acoustical conditions, which keeps the noise from office equipment to a minimum and adds to the ease of conversation, have been attained by installation of an acoustical tile ceiling and asphalt tile floor. An egg crate type, fluorescent lighting system provides even distribution and prevents glare. The interior is finished in birch, and a forced air heating and air conditioning system insures pleasant temperatures during any season of the year.

Koop was appointed manager of the Lemon Grove Branch after more than 18 years service with the First National. He joined San Diego's pioneer banking institution in October, 1930, after graduation from San Diego High school.

He has held many positions with the bank and was graduated from the American Institute of Banking prior to his appointment as assistant cashier in 1948. A veteran, he served with the Navy for 4 years during World War II. He married in 1947.

Other members of the Lemon Grove Staff are Bruce A. Harms, assistant manager; Nan MacDougall, escrow officer; Samuel W. Erwin Jr., head teller; and Marylyn Marcoux, safe deposit box attendant.

The new branch will bring to Lemon Grove every modern banking service, including commercial checking accounts, savings accounts, escrow service, more than 200 safe deposit boxes, bank money orders, foreign exchange and a complete trust service. It will make commercial, real estate, automobile and all other types of loans for both individuals and business firms.

Anderson Borthwick, executive vice president, said the decision to open the new branch was reached after civic leaders in the Lemon Grove area brought this need of the community to the attention of First National officers, and their statements regarding the area were confirmed by careful studies concerning its business potential.

"This branch will provide a convenient banking location for our present depositors and customers in Lemon Grove, and for others seeking a local banking connection," he said. "I is our hope that everyone in the area will become acquainted with the officers and staff members of the new office and call on them whenever they can be of service."

"We are confident that Lemon Grove will continue the progress which has marked its development in the past, and it is our desire to contribute in any way possible to its growth and prosperity," Borthwick added.

the role of a wild horse, captured and trained by a young cowboy, who becomes greatly attached to the mare, only to have an unscrupulous rodeo owner steal and exploit her.

James Millican, recently seen as the heavy in "The Man From Colorado," and Fuzzy Knight, singing comedian, play principal feature roles.

"Adventures of Gallant Bess," was produced by Matthew Rapf and Jerry Briskin and directed by Lew Landers.

'CHICKEN EVERY SUNDAY' SCORES: ENTERTAINMENT TRIUMPH FOR ALL!

If you loved "Miracle on 34th Street," "Sitting Pretty" and "Mother Wore Tights"—and what moviegoer didn't?—you'll go for "Chicken Every Sunday," the new comedy which opens at the Grove Theatre Friday and Saturday, June 24, and 25, starring Dan Dailey and Celeste Holm.

Neatly trimmed with the entertaining touches that made those Twentieth Century-Fox hits such cinematic delights, "Chicken Every Sunday" tells the story of life in a Tucson, Arizona, boarding house at the turn of the century. Based on Rosemary Taylor's best-selling novel, the film combines laughs with a light, human insight that keeps you alternately holding your sides and wiping your eyes.

Film's favorite song-and-dance man, Dan Dailey, has a definite change of pace as the head of the house in "Chicken Every Sunday" and he makes the most of his acting opportunity. As his better-half, Celeste Holm fits in flawlessly. She puts up with her husband's many schemes, and gently takes over the economic reins when the plans fail.

Colleen Townsend and Alan Young head the feature cast of the picture which includes Natalie Wood, William Frawley, Connie Gilchrist, William Callahan, Veda Ann Borg, Porter Hall, Whit Bissell, Katherine

Emery, Roy Roberts and Hal K. Dawson.

The film was directed with a sure hand by George Seaton, who also collaborated on the screen play with Valentine Davies. William Perlberg produced "Chicken Every Sunday," which is from the stage play by Julius J. and Philip G. Epstein and the book by Miss Taylor.

'DOWN TO THE SEA IN SHIPS' WHALING EPIC. STARS WIDMARK WITH BARRYMORE, STOCKWELL

America's great whaling ships, which cruised out of New England's harbors in the 1880's on voyages which often lasted years and sometimes circled the globe, come into their own in "Down to the Sea in Ships," the new Twentieth Century-Fox adventure film which opens Tuesday at the Grove Theatre, starring Richard Widmark, Lionel Barrymore and Dean Stockwell.

Nearly ten years in preparation, "Down to the Sea in Ships" was scheduled for production just prior to the war, but the start of hostilities precluded any movie making at sea or in harbors. In 1946, Production Chief Darryl F. Zanuck resumed preparations for the filming of the exciting adventure picture set in one of the most thrilling eras in American history.

The story of the captain of "The Pride of Bedford," who, at the age of 80, still carries on at sea in order that his grandson may receive the benefit of his experience was filmed in realistic fashion at Seal Beach, California, which closely resembles a New England harbor. A 125 foot whaling brig, weighing 45 tons, was built especially for the picture. Aboard her comes a varied crew who sail the wide expanse of the Atlantic and find high adventure, climaxed by a spectacular wreck on an iceberg.

Richard Widmark, sensational new screen personality, is cast as the rebellious mate while

ROMANTIC LAUGH HIT 'LET'S LIVE A LITTLE' A SPARKLING COMEDY

A sparkling romantic comedy, "Let's Live a Little," the film story of a brilliant but erratic advertising executive who falls in love with a beautiful neuro-psychiatrist by whom he is treated for a nervous breakdown, is currently at the Grove Theatre.

Robert Cummings plays the young advertising executive who finds himself being pursued by all his women clients when they fall victim to his charming manner. Hedy Lamarr portrays the beautiful neuro-psychiatrist who has her professional equilibrium upset by her handsome patient.

Anna Sten, in the role of a wealthy and attractive cosmetics Manufacturer and Robert Shayne, as a doctor colleague of Hedy Lamarr, head an excellent supporting cast.

An Eagle Lion Films release, "Let's Live a Little" is a United California Production film co-produced by Eugene Frenke and Robert Cummings. It was directed by Richard Wallace. co-hit at the Grove is the color picture "Adventure of Gallant Bess."

Lionel Barrymore enacts the role of the crotchety master. His grandson is played by Dean Stockwell, widely acclaimed juvenile actor who scored in "The Green Years" and "Gentleman's Agreement."

Heading the featured cast of "Down to the Sea in Ships" are Cecil Kellaway and Gene Lockhart, while others who have important roles include Berry Kroeger, John McIntire, Ruth Donnelly, Henry Morgan, Harry Davenport and Connie Marshall. Henry Hathaway directed the picture which was produced by Louis D. Lighton. The screen play is by John Lee Mahin and Sy Bartlett from a story by Bartlett.

This will be also shown at the matinee on Wednesday.

LEMON GROVE REVIEW

Additional
Classes For
Summer School

Interest in summer school is continuing to develop. Enough additional requests have been received for music classes to make possible classes in Beginning String, Beginning Band and Fundamentals of Music. These music classes will be open to any student who has completed the 6th grade. The number of requests for Beginning Typing and Drivers Education have made it necessary to add one more teacher; Mr. Carl Zook, a regular member of Grossmont faculty.

All students planning to attend summer school are reminded that they are to report at the Grossmont Auditorium at 8 o'clock Monday morning, June 27.

Classes will be held only in the forenoon. The session will close Aug. 12. Those entering after June 29 may not earn Credit. Monday July 4th is a holiday.

Candor will lose you some friends, but not as many as deceit. —Young

The diligent fostering of a candid habit of mind, even in trifles, is a matter of high moment both to character and opinions. —Howson

Springhouse
Garden Club
Will Receive
Award Today

At 2:30 p.m., Thursday, June 23, two representatives of Better Homes & Gardens magazine will present a bronze Award of Achievement plaque to the Springhouse Garden Club in Collier Park, La Mesa. Last April the Club was awarded third prize of \$200 and the plaque in a national contest for More Beautiful America.

Mayor Enoch Anderson of La Mesa will make a short welcoming address. Mr. Stewart Roberts, Representative of the magazine from Des Moines, and Mr. Robert Nelson, West Coast Public Relations Representative of Better Homes & Gardens, will present the plaque to the Club.

Mrs. Margaret Tipton, teacher of the Adult Education Garden Classes of Grossmont Union High School and the San Diego area, will receive the plaque, and will thank the Magazine, and also the Mayor and City Officials of La Mesa for their part in making the award possible.

The Club was formed under the guidance of Mrs. Wheatly for the rejuvenation of Collier Park as a community project, and the members of the Club have completed the first portion of the plan. Mrs. Daniel I. Rees is President.

The purpose of the Club is to develop and maintain a native park, using domestic shrubs, trees, and vines to combine with its natural beauty, preserving native flora in a quiet spot of rest and recreation. It is a natural bird sanctuary. A small stream flows through the park from natural springs, for which La Mesa was originally named "La Mesa Springs"

Anyone interested is cordially invited to attend the presentation ceremony and to stay afterward for tea.
